

Indonesia-the Netherlands Technology Partnership Forum (INTPF)

Executive Summary

Goals

1. To facilitate the **partnership** between Indonesia and The Netherlands in the sustainable energy technology sector.
2. To provide an information **hub** regarding the latest financing and investment regulation between Indonesia and The Netherlands.
3. To facilitate **stakeholders' capacity, quality, and productivity** learning curve through mutually beneficial and effective methods.

Kerangka umum acara

1. Multi-years, fokus di berbagai sektor yang berbeda setiap tahunnya
2. Melibatkan aktor-aktor dari tiga siklus teknologi
 - a. **Hulu:** kerja sama R&D, pairing antar kampus/lembaga riset Indonesia-Belanda
 - b. **Tengah:** kerjasama penerapan teknologi (*technology transfer*), jual beli teknologi
 - c. **Hilir:** investasi teknologi, ekspansi bisnis
3. Konsep umum acara
 - a. **Plenary meeting:** keynote speech, MoU Indonesia-Belanda di bidang kerjasama teknologi
 - b. **Capacity building:** investment clinic, research funding management, lesson learned from existing partnership
 - c. **Speed dating:** 1-on-1 meeting, pitching
